BACKGROUND(Includes Description and justification)	The Ordinance that bans smoking in public places (Ordinance 2008-12) allows for an exemption if a bar/restaurant is designated as a 21 and over establishment. This ordinance would amend Ordinance 2008-12 and eliminate the 21 and over designation as an exemption. If approved, this amendment would grandfather, for the life of the business, all existing 21+ bars and private clubs. It would also eliminate the cigar bars/cigarette bar exemption. Any new family dining, 21+ bar or private club would be prohibited from allowing smoking inside the establishment
